Dear Andre

RE: STRATA PLAN NO. 36-38 CHURCH STREET, WOLLONGONG

I would like to congratulate you for actually doing what you said you could – creating a non slip surface to the tiles at the above property.

Since your initial work there have been no further reports of persons slipping on them during periods of wet weather.

Also, the owners thank you for the ongoing inspection reports in relation to that work.

I am pleased to be able to recommend you and your products whenever possible.

Yours faithfully
