

"THANK YOU so much for solving my slippery floor problem. For 2-1/2 years I searched for a solution to a very dangerous condition; finally, I found it and it's called "The Safe Solution". After the treatment I couldn't believe my eyes or my work shoes, my prayers were answered. A floor that was once an insurance premium waiting to rise has now become a non-issue, instead of skating we can now literally run on the floor when it is wet.

My staff would like to thank you as well. They used to enjoy their work except when it was raining and snowing outside, the water tracked in, at those times, caused them to move in SUPER SLOW MOTION. Now they are free to enjoy their work all the time, without the fear of falling. It is truly amazing. Productivity is up 10% and I can sleep at night."
